01 // COMPANY OVERVIEW

POPBOOMX LLC is a Michigan-registered commercial and public-sector equipment procurement partner (Est. 2025) specializing in enterprise IT infrastructure, professional audio-visual systems, commercial facility equipment, and turnkey institutional program supply. Operating through authorized commercial distribution channels, POPBOOMX streamlines multi-line solicitations, micro-purchases, and contract rollouts with rigorous technical specification verification, firm-fixed delivered pricing, and single-point account execution from quote through warranty support.

02 // CORE COMPETENCIES

PILLAR 01 · NAICS 423430 / 423690

IT Hardware, Compute & Networking

Commercial desktops, workstations, laptops, rack servers, managed switches, wireless access points, structured cabling peripherals, monitors, and UPS power protection.

PILLAR 02 · NAICS 423410 / 423690

Pro AV, Digital Signage & Unified Comms

Commercial displays, digital signage, conference room AV, laser projectors, audio reinforcement, DSP control hardware, mounts, and unified collaboration kits.

PILLAR 03 · NAICS 423610 / 423840

Commercial & Facility Equipment

Physical security & surveillance peripherals, electrical apparatus, wiring supplies, commercial appliances, MRO tooling, and operational facility support systems.

PILLAR 04 · NAICS 423490

Institutional Program Supply

Multi-SKU bid kitting, spec-verified brand-name or equal cross-referencing, classroom & agency rollout staging, and scheduled multi-site contract fulfillment.

03 // KEY DIFFERENTIATORS

01 **Specification-First Technical Verification:** Every RFQ undergoes part-number validation, accessory compatibility checks, and compliant "or-equal" spec verification before quote issuance.

02 **Authorized Distribution & Full OEM Warranty:** Commercial-grade hardware sourced strictly through authorized distribution channels with authentic manufacturer warranty and streamlined RMA handling.

03 **Firm-Fixed FOB Destination Nationwide Logistics:** All-in delivered quotes with freight, liftgate/inside-delivery coordination, consolidated kitting, and milestone shipment tracking across CONUS.

04 **Responsive Public-Sector Execution:** Rapid turnaround on formal RFQs and micro-purchases, clean onboarding compliance (SAM.gov, W-9, vendor packets), and direct account responsiveness.

04 // VALUE-ADD FULFILLMENT WORKFLOW
